A NIGHT OF MAGIC

WAYS TO GET INVOLVED

WHAT'S HAPPENING IN DOWNTOWN BAKERSFIELD IS MAGICAL.

New businesses are opening and flourishing. Arts and installations are gleaming. New residents are calling it their new home. Historical buildings are being saved and restored. Shows and other attractions are drawing people into it.

As a nonprofit organization focused on sustaining a vibrant, healthy downtown, The Hub of Bakersfield celebrates this magic, and even helps create some of it!

The Hub is directed by local professionals, business owners, hometown lovers, and change makers working within our community to create business and investment opportunities, amenities for our residents, and other services. Our core focus is working with people, developing a sense of place downtown, and crafting happenings (events) to make our city a better place to live, work, play and invest. We know a vibrant and viable downtown Bakersfield will improve the livelihoods of those with whom we share our community. Our downtown serves as the engine for the local economy and represents the image and character of our city.

And we know this work takes a village.

To help continue in its mission, The Hub of Bakersfield will be hosting its first Fall Fundraiser – “A Night of Magic” – the night of Saturday, Nov. 18, at The Padre Hotel’s Prairie Fire. It will feature a magic show, silent auction, music, dancing, and the opportunity to celebrate and continue the magic-making in Bakersfield’s urban core.

We are asking for your help as we build a stronger more vibrant downtown community. As an event or silent auction sponsor, you have the opportunity to help The Hub continue driving its mission in revitalizing Bakersfield’s urban core.

We hope you will join us in creating magic! Thank you for your time and consideration.
All the best,

Jorge Barrientos
Chairman, Board of Directors
