# PARTY IN THE GARDEN

## LETTER FROM THE HUB

---

Bakersfield's urban core is a vibrant hub of historic, funky, fun, innovative, and authentic attractions. The Hub of Bakersfield aims to amplify its successes and reimagine its future, unlocking its enormous potential for growth and improvement.

Join us for a fun-filled evening in the Sister Cities Garden at Mill Creek Park, where we'll celebrate the growth of the urban core and come together to revitalize this beautiful park -- now adopted by The Hub of Bakersfield -- into a vibrant gathering space for all.

By supporting this event, you'll be part of this transformation and fostering The Hub's vision in innovation and community connection, and contributing to the growth and development of Bakersfield's vibrant downtown area.

I look forward to seeing you there! Thanks for your time and consideration.

*Jonathan Yates*

Chairman, The Hub of Bakersfield
